Education

University of Southern California Aug 2026 - May 2028
M.S. in Computer Science

Hangzhou Dianzi University Aug 2022 - Jun 2026
B.S. in Computer Science and Technology · National CS Rank: No. 24

Experience

Alibaba · *Amap* · *Intern* Oct 2025 - Jan 2026
Among China's top 3 internet companies; No. 60 globally by market capitalization.

Tencent · *Ads Marketing Services* · *Intern* Apr 2025 - Sep 2025
Among China's top 3 internet companies; No. 27 globally by market capitalization.

Project Experience

Alibaba - Amap · Oct 2025 - Jan 2026
Responsible for productionizing the Order Analysis Assistant and AI Ride-Hailing LLM projects, improving complex task handling and integrating shared AI capabilities.

› Designed and launched the Deep Research capability for the Order Analysis Assistant, improving complex task decomposition and performance in long-context scenarios.

Tencent - Ads ChatBI System · Apr 2025 - Sep 2025
Contributed to the NL2Chart core workflow of Tencent Ads ChatBI, enabling conversion from natural-language requests to charts.

› Designed and implemented an automated corpus review system to improve source data quality, raising recall accuracy on the core workflow from 50% to 80%. Introduced a state machine to improve system stability and crash recovery.

Technical Skills

Systems & Programming: Java, Golang, Python, Asynchronous Programming, Concurrency, Multithreading, Multiprocessing, Distributed Systems.

Full Stack: Web Frontend, React, TypeScript, HTML/CSS; Backend, Spring Boot, FastAPI.

Databases & Messaging: SQL, MySQL, PostgreSQL, Redis; RabbitMQ, Kafka.

Cloud & DevOps: AWS (Lambda, API Gateway, ECR, Amplify), Docker, Kubernetes, CI/CD Pipelines, Linux Sysadmin.

ML / AI Agent: Machine Learning, Retrieval-Augmented Generation (RAG), Harness, LangChain, Multi-Agent Systems, Context Compression, OpenAI API, PyTorch, NumPy, Hugging Face.
